

A sophisticated and high-quality colour multifunction designed to meet your small business needs.

WORKHORSE

The colour imageCLASS MF8350Cdn has sophisticated features and high-quality output to meet your small business needs. The MF8350Cdn delivers fast and accurate printing with Canon's Quick First Print Technology and multi-page documents are ready quickly with print and copy speeds of up to 20 pages-per-minute (ppm) in full colour and black and white*.

Key Features

All-in-One cartridges Toner Cartridges

- The MF8350Cdn utilises a drum cartridge in which an "Intermediate Transfer Unit", "Photosensitive Drum", and "Waste Toner Container" that are normally individual consumables, are all combined, meaning less consumables to stock, less fuss and high reliability.

Low Power Consumption and Quick Start Up

- By adopting Canon's unique On-Demand Fixing System, the MF8350Cdn achieves low power consumption of less than 3 watts in standby and quick start-up, with first page out in less than 8 seconds. This enables instantaneous heating of the fusing heater only before printing, saving warm-up time. The MF8350Cdn is always ready to print - saving you time and money.

As a Laser Printer

- Up to 20 pages per minute (colour/mono)¹ with 16 seconds to first print¹
- 600 x 600 dpi laser print resolution (enhanced to 2400 x 600 dpi by exclusive smoothing technology).
- 128MB shared memory
- Auto duplex for easy double sided printing

As a Fax Machine

- 33.6 Kbps Super G3 fax - up to 3 seconds per page³ fax transmission.
- Huge fax memory of up to 512 pages³ to ensure there are no lost messages.
- 50-page Automatic Document Feeder for fast, unattended copying and faxing.

As a Scanner

- Up to 600 x 600 dpi (optical) and 9600 x 9600 dpi (interpolated) colour scanning resolution for sharp images
- Scan to USB Flash Memory

As a Copier

- 20 copies per minute (colour/mono) makes up to 99 copies at a time
- Reduction/enlargement ranges of 50% to 200%; Electronic collating; 2 on 1, 4 on 1 copying.
- Energy saver modes
- Double sided copying
